Due to the length of time required for completion of the background check(s), it may occasionally be necessary to employ a person prior to the Board of Education having received the results of the BCI and/or FBI background check(s). In these cases the Board of Education shall rely on the applicant's information provided in the employment application. However by signing this document I specifically agree that if I am employed by the Board of Education prior to its receipt of a response from the Bureau of Criminal Identification and Investigation (BCII) my employment shall be contingent upon subsequent receipt by the Board of Education of a report from BCII which is consistent with my answer to the above question and does not contain evidence of a conviction for any of the crimes set forth in Section 3319.39 of the Ohio Revised Code.

In the event I have been employed prior to the Board having received a report from the BCII which is not consistent with my answer to the above question or contains evidence of a conviction for any of the crimes set forth in Section 3319.39 of the Ohio Revised Code, I specifically agree that the action of the Board employing me shall be void without any further act by either party, and that my employment will terminate immediately without the necessity of proceedings to formally terminate my contract and employment.
