PUBLIC PARTICIPATION

Residents are encouraged to communicate with staff and school board members of the Wayne Local School District. If you are not satisfied with the response, you may contact the superintendent. By following this procedure, you will generally receive a prompt, informed response. (Board policy 9130)

The Board of Education recognizes the value of resident comment on educational issues and the importance of allowing citizens to express themselves on school matters of community interest. Resident's participation at Board meetings is governed by the following guidelines:

1. Resident's participation requests about non-agenda items. These requests to discuss items that do not appear on the agenda shall be written in advance and include the subject, the name and address of the person making the requests, and, if applicable, the group being represented. Speakers shall be limited to three minutes.
2. Open participation regarding agenda items. The presiding officer will ask if the residents or persons recognized by the Board have any questions or comments on items that appear on the agenda. Speakers shall be limited to three minutes.
3. All statements shall be directed to the presiding officer; no participant may address/question Board members individually. The presiding officer shall control the meeting.
4. Public participation at the Board meeting shall not exceed thirty minutes.
5. All citizens addressing the Board must be residents of the school district, unless otherwise invited or recognized by the Superintendent or School Board.
