

Our café lines are up and running with a new a Point of Sale system. Please note that kids can still pay for their meals at the time of purchase or you can pay in advance with cash or check using the below deposit form. In addition we now also offer credit card payments via the internet with EZPay. Visit the website at

You can use this website to pay for both cafeteria items and School fees. There is no cost to register or browse the website, or check account balances. All you need is an email address and your child's PIN number. There is a convenience fee of \$2.50 per on-line transaction that will be charged along with your credit card payment. The convenience fee covers the cost of processing payment transactions via credit card and EZpay processing. So if you charge \$100 for pre-pay of lunches your total cost would be \$102.50. If you charged \$300 in one transaction your fee is still \$2,50. The total convenience fee will be displayed prior to completing any payments on our website. Payments may take up to 2 school business days to post to your children's accounts.

Please note YOU DO NOT have to use the website to be able to pay fees or pre-pay for lunches.

Our system will efficiently know the meal status of your student (full-pay, free, or reduced) and will deduct the correct amount from the account. There is no limit on the amount of money that can be deposited into a debit account. If you have prepaid prior to our implementation of the point of sale system, we have loaded your pre-payment into the system.

If you still want to pay by check or cash, please find below a detachable form to be filled out and returned. Make checks payable to: Wayne Local Schools Food Service. For safety purposes, we recommend that advanced payments be sent in the form of a check. If you are paying for more than one student in the same school with one payment, please note how much money is to be designated to each student's account.
