## **EZ PAY UPDATE**

If you have a balance on your lunch account at the end of the school year, your balance will be carried over into the next school year even if your child goes from the Elementary School to the Middle School. You can always log onto

<https://www.spsezpay.com/SPSEZpay/PR/PaymentCenter.aspx> to check your balance.

## **HS SUMMER SCHOOL**

High School Summer School forms are available. Students or Parents must see Ms. Joefreda, Sharon or Jan BEFORE applications will be given/approved. Summer school is for credit recovery of no more than 2.0 credits per summer. The process is new and we would like to make sure interested students and parents understand all information prior to starting summer school. A variety of courses are available through 2 different virtual programs this summer:

The Virtual Community School is offering two sessions, June 14-July 9 and the second session runs July 19 through August 13. Cost is \$249 per course. If you have questions about the courses visit [www.vcslearning.org](http://www.vcslearning.org) or call 1-866-501-9473, ext. 2040.

The Warren County Virtual Community School offers a 3 month license for \$285 (per credit) for a current student and \$350 (per credit) for a new license. If you would like a list of courses offered visit [www.wcvcs.com](http://www.wcvcs.com) or call 513-695-2911.

## **GET READY, GET SET, INVENT!!!!!!!**

In partnership with Invent Now Kids, Wayne Local Schools is pleased to offer the nationally-acclaimed, weeklong Camp Invention program to children entering grades one through six. This exciting summer day experience immerses children in imaginative play that reinforces and supplements school-year learning through inquiry-based activities in science, technology, engineering, and math (STEM). Each day of the program week, children rotate through five integrated modules that require creative thinking to solve real-world challenges. Working together, children learn vital 21<sup>st</sup> century life skills such as problem-solving and teamwork through hands-on learning... disguised as fun!

This exciting week of activities begins on June 21<sup>st</sup> – June 25<sup>th</sup>. Children will be challenged to rebuild

a virtual world and act as entrepreneurs as they establish a new marketplace in the *Hatched*<sup>™</sup> module, explore alternative energy to power their robotic creatures in the *Power'd*<sup>™</sup> module, and discover surprising mathematical connections between soap bubbles and lightning bolts in the *SMart: Science, Math & Art*<sup>™</sup> module. As with every Camp Invention program, the INNOVATE program will feature the *I Can Invent III*<sup>™</sup> module, where younger children will take apart discarded household appliances and create fantasy inventions, while older children will use the pieces and parts to build Rube Goldberg machines. Also featured will be the *Global Games*<sup>™</sup> module, where children will explore ancient cultures and sports like lacrosse and soccer from civilizations around the world. Local educators will facilitate the program modules, and enthusiastic high school and college students will serve as program counselors. This renowned program features a low staff-to-child ratio, with one staff member for every eight children.

The registration fee includes a Camp Invention T-shirt. Register with a friend to receive **\$25 off** the base price. Availability is limited, so visit [www.campinvention.org](http://www.campinvention.org) or call 800.968.4332 to reserve your child's spot today!

Contact me for a possible scholarship to save even more or with any questions.

See you at camp!

## WELLNESS

### EVERYDAY ACTIONS TO STAY HEALTHY

- Cover your nose and mouth with a tissue when you cough or sneeze. Throw the tissue in the trash after you use it.
- Wash your hands often with soap and water, especially after you cough or sneeze. Alcohol-based hand cleaners are also effective.
- Avoid touching your eyes, nose or mouth. Germs spread that way.
- Stay home if you get sick, especially if you have a fever. CDC recommends that you stay home from work or school and limit contact with others to keep from infecting them.
- Follow public health advice regarding school closures, avoiding crowds and other social distancing measures. These measures will continue to be important after a 2009 H1N1 vaccine is available because they can prevent the spread of other viruses that cause respiratory infections.

### SCHOOL SAFETY

The quickest and most accurate way we communicate with our parents is through our school district website at [www.wayne-local.com](http://www.wayne-local.com). This is one of the first places you can look for information.

The next way to get fast information is from *Cnotify*. You can learn more about **Cnotify** on the school district's webpage. It takes about one hour to call all employees and parents, but text messages are almost instantaneous.

Of course, we will notify all local TV and radio stations, but it can take up to thirty minutes before they report our information.

### CHILD FIND

A Search for all children with disabilities between the ages of 3 and 21.

Child find is the process of identifying, locating and evaluating children with disabilities who may be in need of special education and related services.

Contact: Mrs. Mary Franzosa, Special Education Coordinator at 897-2761.

### **Museum's Ghostly History Walking Tours Haunt Waynesville Summer Nights**

The Museum at the Friends Home, Fourth and Miami Streets, Waynesville, will be offering special outings of the popular Ghostly History Walking Tours in conjunction with the village's Second Saturday Stroll events. The next tour will be Saturday, June 12, beginning at 7:30 p.m. Interested parties should gather at the gazebo in the middle of Main Street across from the Hammel House Inn by 7:15. Tours are \$10 each and all proceeds support the Museum.

Called "The Most Haunted Village in Ohio" by author Chris Woodyard's *Haunted Ohio* books, the Museum culls the most fascinating and true stories of area lore to delight visitors of all ages. The one-hour stroll highlights fascinating, historically based legends from the area's unique past. Nearly all stories are first or second-hand accounts of personally experienced events that defy explanation, with the occasional local legend added in support. History buffs will enjoy the added bonus of tales surrounding the wonderful 200+ year-old village and its people. This one-of-a-kind tour is not to be missed!

For more information on this special event or the regular October tours, call the Museum at 513.897.1607 or visit [www.friendshomemuseum.org](http://www.friendshomemuseum.org)

### **VILLAGE OF WAYNESVILLE NEWS**

The Village of Waynesville will be doing substantial maintenance work on the 500,000 gallon Lytle Road water tower from early June to early July. The Lytle Tower is located across Lytle Road from the Government Center. Towers generally receive this type of rehab work every ten to fifteen years in the Midwest and the project is expected to take approximately thirty days. Rehab work will include the following procedures:

Interior: Sand-blast down to metal; weld and grind surface as needed; apply primer and three coats of epoxy based paint to interior of tank.

Exterior: Strip grime and grit from exterior surface; pressure wash tower; spot prime exterior, then apply one coat of "tank white" epoxy-based paint, paint "Village of Waynesville..." logo, and then coat exterior surface with clear coat finish.

Work hours will be 7 AM to 7 PM, Monday through Saturday – no Sunday work permitted at this point. The work will likely be noisy at times, but this noisy work is necessary and unavoidable. Thank you in advance for your patience during this project and we sincerely apologize for any temporary inconvenience this project may cause to residents in the area.

### **JUNIOR RANGERS PROGRAM: “THE EARTH AND EVERYTHING IN IT”**

Tuesday, July 13-Friday, July 16, 9:00 am to 12:00 pm (Noon)

Jr. Rangers is a four day program for children between the ages of 6 and 12 years old. The program is designed to help children gain a better understanding of the environment and the role they play in it. Of course, nature is fun; therefore, each day the programs are filled with hands-on activities and games to re-enforce the concepts being covered. There is a \$15.00 materials fee, per child, for this program. Each child will receive a Jr. Ranger book, patch, badge, and certificate of completion.

The program runs from July 13 through July 16 (Tuesday through Friday), from 9 a.m. to noon.

The deadline for early registration is July 4, 2010. Late registration is \$20.00. Please dress for the weather. For more information or to register call the Visitor Center, 513-897-1050 or go to

[www.friendsofcaesarcreek.org](http://www.friendsofcaesarcreek.org) for all USACE Caesar Creek Lake events!
