WES Spartan Star Awards

Spartan Star is a character education program where we are recognizing students for exemplifying certain character traits. There is a character focus for each month of the school year. Each teacher will honor two students each month for being great examples of the character trait. Those students will receive certificates and a Spartan Star bracelet. Their pictures will be posted on the lobby bulletin board, their names will scroll on the building message board, and pictures will be displayed on the announcements television in our cafeteria. They will also be entered for a drawing where they can win a t-shirt. Please reinforce the importance of these character traits in your discussions at home. As always, we appreciate your support of this important program!

Attention: Parents of Car Riders

WES would appreciate your help at dismissal time! If you pick your child up after school, please be aware that our buses are also pulling out of the school parking lot. We would like for all of the afternoon buses to pull off the official campus together in a "caravan" format. If you see the buses coming, please wait and let them pass before exiting the parking lot(s). This plan helps to ensure safety of not only our children, but for our bus monitors and crossing guards as well. Thanks so much for helping with this!

WES 15-16

Thanks so much to our Kindergarten - third grade students for their efforts with our building's magazine sale. The sale was a huge success. Thanks also to Michelle Weaver and Courtney Buck, P.T.O. officers, for helping with the paperwork and processing all of the orders.

THANK YOU!!

We want to thank the American Legion Post 615 for donating over six thousand dollars to purchase supplemental classroom resources including Scholastic and Weekly Reader magazines.

WES SPELLING BEE

Our fourth and fifth grade students will be invited to participate in the annual WES spelling bee. The classroom level event will be on Nov. 23. A study list is being sent home with all fourth and fifth grade students on Monday, Nov. 16. Eight students from each class will continue on to the grade level spelldown which will take place on Dec. 3rd for fourth grade

students, and Dec. 4th for fifth grade students. The final round to determine the building's spelling bee champion will be held on Wednesday, December 16.

Canned Food Drive

We are partnering with the American Legion Post 615 to sponsor our annual WES canned food drive. Students will be encouraged to bring in canned food items (no breakable containers) so that we can help needy families in our local community! All canned goods will be picked up December 16 at WES!
