

## Waynesville Middle School

Parents and Students,

As we wind down fourth quarter and remote learning, I wanted to take the time to tell all of you thank you.

Thank you for your perseverance, keeping your head up when you didn't feel like it, supporting one another, and for supporting our teaching staff. We made it!

As a first-year principal, I have learned so much. I am thankful for it all and even more thankful that I had this experience with all of you.

Sincerely,

Karyn Phillips, Principal

**Emails** Now, more than ever, it is essential that the school has the best email for you, in order to be able to pass on important information. If there is an email you would prefer us to send communications to, please log onto Final Forms at <https://waynelocal-oh.finalforms.com/> and change Parent Number One's email to the email you want the communication to go to. The computer pulls the email from parent one's information, so that email needs to be the one you would like us to use. Thanks!

## Important information about school supplies and school fees.

Parents,

We have worked hard to support our families during this difficult time. We have reduced school fees wherever possible for next year. With this in mind, supply lists will be included in this newsletter, posted on our website, and will also be mailed home with grade cards after May 29<sup>th</sup>. This allows for an extended period of time to purchase supplies as you find them on sale. The supply lists have been composed with student wellbeing in mind and will encourage students to use their own sets of colored pencils, markers, pencils, and pens. Please keep this in mind while shopping over the next few months and involve your child in this process so they will choose items they will love using. Large pencil and supply pouches, possibly multiple, are encouraged as they will need to keep all of their supplies together and as organized as possible.
