Waynesville Middle School
Office:

Waynesville Middle School

Dear Parents,

We are almost to the finish line!
NO new assignments will be given after May 8th. The week of May 11-15th is for students to get more 1:1 teacher support if needed, use extended time, catch up on late assignments, or to resubmit assignments if needed. The week of May 18-21st will be the last week for any completion of older assignments and grades are due on May 22nd.
If you have any questions, please reach out to me. I have had so many great conversations with many of you over the past few weeks and have enjoyed speaking with you all.

Thanks so much!
Karyn Phillips, Principal

Thank you to everyone who entered! We have SO many adorable pets in our community!

We understand that online learning is a learning curve for parents too. We put together a video that overviews the ins and outs of Google Classroom, notifications for parents, as well as some other helpful tips parents can encourage at home to help students be successful. Transition from Traditional School to Remote Learning:

If you or your student have any difficulties getting to the appropriate websites, or any problems with the Chromebook itself, please contact our **tech department** at tech@wayne-local.com, and they will be happy to assist.

We would like to share ways that are best to continue communication during remote learning sessions.

Emails

Now, more than ever, it is essential that the school has the best email for you, in order to be able to pass on important information. If there is an email you would prefer us to send communications to, please log onto Final Forms at <https://waynelocal-oh.finalforms.com/> and change Parent Number One's email to the email you want the communication to go to. The computer pulls the email from parent one's information, so that email needs to be the one you would like us to use. Thanks!

Student Shout Outs!

Students explored the elements of art more closely this week with the option to incorporate photography too. Check out their neat art! – Mrs. Ballard

BRYCE MORGAN

Mr. Hale would like to make a "shout-out" to all his students who are requesting to redo assignments. It is not required of you, but he has had a lot of students asking to redo assignments to improve their understanding. Mr. Hale thinks that is very admirable, especially in the given circumstances.

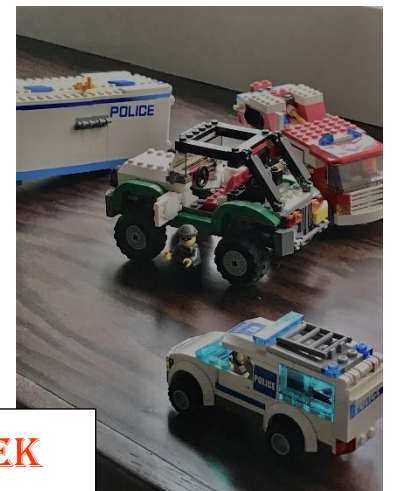

Well Done 7th grade Math Students for going the extra mile!

CHROMEBOOKS LENT TO STUDENTS

As remote learning was implemented during the coronavirus pandemic, Wayne Local Schools lent Chromebooks to students in need of an electronic device.

We have made the decision that Chromebooks may remain with students over the summer. Please keep in mind that parents signed a release affirming the Chromebooks will be used for educational purposes and returned to the school in its current condition. The guidelines outlined below should be followed:

- Parents may be responsible for damages incurred and are expected to take common sense precautions to protect the device.
- Keep the device in a safe place when not in use.
- Do not allow the Chromebook's battery to completely drain before recharging the device.
- Contact the tech department immediately to report any damages, issues or concerns at tech@wayne-local.com.

As no decision has been made in regard to schools re-opening in the fall, the device may be necessary to continue with remote learning in the upcoming school year.

If you will be graduating, moving, or withdrawing from the district, contact Karyn Phillips at kphillips@wayne-local.com to make arrangements to turn in your Chromebook.

Additional Chromebooks will not be loaned out to students until the start of the 2020/2021 school year.

As this is an evolving situation, we will continue to provide updates as we rely on guidance from national, state and local authorities. We are all in this together, doing our very best to keep our students and community safe while continuing to support their academic progress. Thank you for your cooperation.
