

**AP PreCalculus
Summer Assignment
2026-2027 Academic Year**

**Please use this [link](#) or
the classroom code [hncymwzb](#)
to join the
AP Pre-Calculus Google Classroom.**

- Information about the summer assignment can be found on the Classwork tab.
- There are a total of 13 prerequisite problem sets.
- For each set, **show your work** and final answer.
- Please take some time to become familiar with the **TI-84 calculator**. There are tutorials available on Google Classroom.

**Please submit the sets to Google Classroom
in the appropriate folder by 7:30 AM on Friday, August 21.**
