

Waynesville High School/Waynesville Middle School Waiver Form

This form is for students who have not been recommended by a current teacher in a subject area but are requesting to take an Honors/Advanced, or math course. Please note: one course per form.

Student's Name _____

2026/27 Grade _____

Date _____ Name of Course _____
If your student would like to challenge him/herself in an **Honors/Advanced course, or a different math course** which was not recommended for him/her, they may use this waiver. Please complete and agree to the following:

- 1. Parent and student will conference briefly with the current teacher within the subject area and complete this form.**

To be completed by the current teacher in the subject area:

- Attendance concerns
- Assignment completion concerns
- Behavioral/focus concerns
- Grades do not meet the minimum for the course, per the program of studies

Additional comments:

Teacher Signature _____ Date _____

2. The student must complete all summer assignments. Failure to do so will result in removal from the course on the first day of school. This only applies to students taking advanced high school courses.
3. If the student moves to another level of the course after the first week of school, the grade will be transferred. If the student drops the course entirely after the first week of school, the student will be issued an "F" on the high school transcript. This only applies to students taking advanced high school courses

Once placed in the Advanced/Honors/AP class based on this waiver, the student will be reassigned to the appropriate lower-level class if two or more of the following conditions occur.

- **Less than 80% on the course pretest (if applicable)**
- **Less than 80% at either midterm Q1 or the end of Q1**
- **Late/missing assignments**
- **Attendance concerns**
- **Academic dishonesty**

Parent and student understand the conditions and consequences of taking this course against recommendation.
