I would like to declare my intent to participate in the College Credit Plus Program and I understand I will need to complete High School Requirements and the required End of Course Exams as noted in the WHS Program of Studies for graduation. I understand that signing this form does not require that I participate during the upcoming school year and I may decide not to participate without consequence. **I also understand that it is my responsibility to notify my school if I do not gain admission to my selected institution of higher education or choose not to participate for some other reason.**

I understand that it is the **responsibility of the parent/student to apply for acceptance into the participating institution of higher education and abide by all of the institution’s deadlines and requirements regarding the CCP program.**
