The Board offers public participation to members of the public in accordance with the procedures below. The Board applies these procedures to all speakers and does not discriminate based on the identity of the speaker, content of the speech, or viewpoint of the speaker.

The Board is also committed to conducting its meetings in a productive and efficient manner that assures that the regular agenda of the Board is completed in a reasonable period of time, honors the voluntary nature of the Board's time and using that time efficiently, and allows for a fair and adequate opportunity for input to be considered.
