- Please continue to use caution in the morning, especially since it is dark the entire time of arrival. Drop off for 6-12 students should be in the elementary parking lot and NOT in

the park or in the junior high parking lot due to staff and student parking in those areas. The safety of everyone is our top priority and appreciate your cooperation. For the safety of everyone, please be very careful and slow down at the crosswalk. Please do not block the crosswalk or intersection.

- This school year, the Jr./Sr. High is trying to make sure that our wonderful students are recognized for their Spartan pride, respect, responsibility, and kindness. In doing so, teachers will recognize students through “Spartan Star Cards.” When students earn a card, they will be in the running to win various incentives. We really appreciate all of the community members who donated at the beginning of the school year. We are running low on prizes/incentives to give to our students, and we need the help from our Spartan community. If you own a local business and can provide our school with “free item” coupons or if you are part of our Spartan family and are able to donate items on our Sign Up Genius Rewards List, we would greatly appreciate it. So far this year, the high school students have been enjoying the \$5 food and gas cards and the Jr. High students have enjoyed the snacks and candy, so those items are in high demand and running low. Any donations can be dropped off in the Main Office. Thank you for all of the support that you provide for our students.
