Electives

Band - Sixth Grade Band is a YEAR course where students will learn the basics of instruments and performing in concert. Sixth Grade Band will present three concerts throughout the year, performing a range of music from holiday music to popular music.

Choir - Sixth Grade Choir is a YEAR or Semester course where students learn the basic techniques of singing. This is a preparation class for seventh and eighth grade choir. Students will present up to four concerts per year.

Intro to Engineering - Sixth Grade Engineering is a quarter course. Students discover the engineering design process and develop an understanding of the influence of creativity and innovation in their lives. The hands-on program boosts classroom engagement and excitement, drives collaboration, and inspires "aha! Moments".

Art - Sixth Grade Art is a quarter course. Elements of line, shape, color, texture and space will be emphasized through drawing and painting skills. Students will learn about the cultural and historical nature of their projects and will develop skills in presentation methods as well.

Physical Education - Sixth Grade physical education is a quarter course that includes a variety of activities that are aligned with the ODE Physical Education Standards. Each day, the student is expected to wear the proper athletic shoes and clothes.

Junior High 101 - Sixth graders will learn basic keyboarding skills and some computer skills. Students will use these skills throughout junior high and high school.
