## 7<sup>th</sup> Grade Course Offerings 2026-2027

Parents, please discuss the following course options with your child. This form is to help you and your child choose courses that fit your child's learning needs and experiences.

### Required Electives – One Semester Each:

### Health (700) & Physical Education (900)

### Choice Electives

#### Choose TWO from the left column

OR

#### ONE (year course) from the right column

##### Semester Electives

##### Full Year Electives

- 7th Grade Art (706)
- Robotics & Automation (324)
- Design & Architecture (325)
- Medical Detectives & App Creators (326)
- Ukulele (717)

- Choir (713)

In the event that your elective choice courses are full, please indicate two alternative choices below:

Alternate #1: \_\_\_\_\_

Alternate #2: \_\_\_\_\_

This courses request sheet does not guarantee your child's requested electives. If classes are full or there are scheduling conflicts, we move to the alternative elective options.

#### Math and ELA

recommendations are based on current data and student performance in those classes. Multiple factors have been considered in making these recommendations and student growth and placement will continue to be monitored. Please note that some placement decisions may change in May as additional data becomes available.

### Required Year Long Courses- Teachers will initial the ELA and Math Recommendation
